Community Involvement

- With our time, people, tools, and monetary support, we are helping institutions and organizations make the world a better place.
- We help rebuild after disaster strikes - nearly 250,000 volunteers are equipped with our tools to help more than 1,000 families.
- We help teachers teach and students learn high-paying, useful skills by providing more than 1,400 teachers with STEM training and 415,000 students with educational activities.
